## **The Truth about SWR / Tricks with Antenna Analyzers / The Elusive Isotropic Antenna / etc.**

**Overview of the presentation:** I am the Missouri Technical Coordinator. I am happy to address any technical topic for your club meeting. If I don't know the subject, we have various Technical Specialists that do that I can tap.

- This is a Verbal presentation with Pictures and Videos
- Will travel to present
- Other methods: GoToMeeting or WebEx. You need a good Internet connection, a computer, and a projector.
